

BRITISH ISRAEL **JUDEO**MASONRY** AND THE CATHOLIC CHURCH

Undermining America
 with Jew*Bait anti-Catholicism

Our discourse by now may have proved to the reader that the British Empire is not as mythical as the propaganda would have us believe. We quote from THE NATIONAL MESSAGE, of London, England, by James McWhirter; to identify the British Empire under its name of kingdom of God on earth:

"The history of the past two thousand years has been written in vain for those who cannot see that the success of the Church has largely been dependent on national factors. Contrast, for instance, the history of the Holy Roman Empire with that of the British Empire. Without the temporal power of this material Empire, which gives every facility for the spreading of the Gospel, we cannot imagine how limited that work would be in the world today. It is only the prestige of that power that keeps many doors open in the East. Mahatma Gandhi has said that he would not have one Christian missionary in India if he rose to power. And if the Zionist Jews became the governors of Palestine all missionary work there would come to an end."

"The French empire was one of the custodians of the Roman Catholic faith, and, like the Italian empire, supported the characteristic religious intolerance of the Roman Church, whose system has always been inimical to the preaching of the Gospel."

"The British Empire is not merely a prophetic hope or a theoretical ideal -it is a fact. Of it a statesman has said: 'They had demonstrated to the world in actual practice that difficulties could be resolved by discussion as they could not be resolved by force. Moreover, the British Commonwealth was founded on the conception

that war between its component parts was unthinkable, impossible -- a conception as striking as it was new to political theory."

"The Archbishop of York said recently: 'We English Christians should constantly be asking ourselves for what purpose God has entrusted to us so great an influence in the affairs of the nations of the earth...It is surely an indication of some Providential call upon us. We ought never to take for granted such a great event as the uprising of the British Empire. But we have no right to this position of special and honorable responsibility unless we are determined to use it to the full, not for our own glory, but for the glory of God.' The Archbishop's question is answered in the words of Hugh Redwood: 'The true imperial import of Britain's world mission was the spread of God's eternal word.'"

"Here is a comparison in favor of Britain which has appreciated considerably since it was made in 1922 by the German Professor Dr. Dibelius. It was recently quoted in THE TIMES by the Canon of Westminster: 'Christian ideas of conduct have been realized in Anglo-Saxon lands with a fullness to which the whole rest of the world can show nothing equal or even comparable.'"

"Speaking of Britain's rule Earl Baldwin said: 'The Empire is not built upon trade agreements, nor can it be maintained solely by tariffs or preferences. It can only be maintained permanently by a clear conviction of its ultimate goal--the spiritual unity of the whole Empire--the Kingdom of Heaven on earth.' (THE TIMES, August 16th, 1932)."

"The claim is often made that the Bible is the source of Britain's greatness, but it is outside the scope of this article to prove that our Christian commonwealth of nations, whose ruler bows to the sovereignty of the Son of God, owes not only its greatness to the teaching of the Book, but that the same Book proclaims the Empire's origin and mission."

"Spiritually viewed, the Empire is the most gigantic force for good on earth. The ancient

Israelitish commonwealth was negligible in its spiritual influence on the world when compared with the British commonwealth."

"Let us face the facts. The prime reason for the existence of the Israel nation was that it should reveal God to all mankind. It was when Britain underwent a spiritual change and was converted to Protestantism that the great worldwide missionary movement was born. Since then the King has been 'the defender of the Protestant reformed Faith.'" End of quotes.

We have shown also that if we are able to understand the technique of today's power politics as carried on by the unseen British Empire then we must look to its spiritual cloak of British Israel "Christianity."

The spiritual power of the British Empire which is carried out through the kingdom message (kingdom of God on earth) crosses national boundaries which are only imaginary to the Supra Invisible State. The mobility and universality of the kingdom message propaganda is proof that remaining political divisions have yielded to its sovereignty and exist only to fulfill their "prophetic" destruction. The remaining national governments are transitory awaiting the enactment of the British Israel prophetic time table which will permit and justify their gradual extinction. That this propaganda operates internally and externally on every continent oblivious and impervious to every political division is absolute proof of who controls the world. One will find the British Empire today with a new name -- THE KINGDOM OF GOD ON EARTH.

This third dimension of the Empire is spiritual and it is corralling humanity into a world state unabated. Its political and military power takes on the color and "patriotism" of any country it may find itself in. The people pledge their loyalty to the land of their birth but their faith to the kingdom of God. There is a dual allegiance and that of the spiritual is dominant.

If then we ply beneath this spiritual deception

which now parades around the world as Christianity we begin to see the source of the inspiration that is spending billions on so-called world evangelism. Then if credibility permits we begin to realize that indeed Satan does appear as an angel of light and that the kingdom message propaganda has in the main (in this country) its base of operations in the American churches of nearly all denominations.

We have pointed out that as a whole the preachers and teachers of the kingdom message are totally unaware that they are victims of a plot that will spell their ruin if they don't find out about it and expose it. Needless to say the plot could never have succeeded to this point had it not been invisible to its servants and to the masses. Now in the same voice we are under no illusion that just because of what we say here in a few words we will undo decades of brainwash which has gradually changed the meaning of Christianity to a Pharisaic-Judaism while retaining the name of Christian. It is our intention however to point out a few truths that may be recognizable even to the most blind so that they might use what we say here as an hypothesis for investigation.

We feel that in the main the basis for embracing the doctrines of Judaism in the place of Christianity is a failure to recognize the change in Covenants at the Cross of Christ.

We see then that today's neo-Christianity is inconsistent with the change in economy at Calvary and consequently its adherents cling to the "race" and nation (long gone) of Judaism instead of the grace of Christ which has been extended to all people everywhere making salvation a matter of spirit (grace through faith) rather than the flesh of decadent Judaism.

Now those who claim grace through faith on one hand and cling to race and nation (of Judaism) on the other are alternating Christianity with Judaism and they can never have the happiness and joy and understanding of the kingdom of God (Gospel) as long as they hold two antagonistic faiths. They are mutually exclusive and never will

they be one.

Furthermore Christ fulfilled the law and the prophets as foretold and to believe that His kingdom is yet future is to not believe that Jesus is the Christ and that His kingdom has already come. His reign is a reign of Grace. That Jesus is not the Messiah spoken of by the prophets is the position of Judaism. These same Pharisees still look for the Messiah and an earthly kingdom and they are still in their sin of unbelief.

Now the semi-Jewish position of mixing grace with race is the trump card of British Israel. While British Israel talks about grace and faith they deny it with race. Their plan of deception which calls for a future political messianic kingdom is the age long hope of Jew-Pharisaism and they are operating within the framework of the British Empire and delegating their dirty work to their cabalistic Masonry. Judeo-Christianity (British Israel) is the spirit of world revolution, the British Empire is its body and structure, Masonry is its servants working into every facet of political, military and religious control and the blueprint for world conquest is a scheme of "Bible Prophecy" which seeks to justify mass murder in the world as it enacts its prophecy on the way to its kingdom of God on earth.

Once we see that this prophetic scheme is dedicated to a religio-political state in the name of Christ we have shaken its spiritual control and are ready to challenge it with the truth of Christ Who said "My kingdom is not of this world." "Christian education" today is committed to the lie that God's kingdom is of this world and that we may expect to be "world servers" of it. This "Christian education" is a creature and creation of British Israel as a haven for those who begin to feel the jabs of integration and civil disorder of British Communism. The basis of this new Christian education is that the world must be under God's law in a legal sense in order to have peace and justice on earth. We recognize in this teaching suppression from the state in the name of God's law. God's true law goes from the heart out and not from the state in. It is only more trickery and deception when one discerns the

spirit of British Israel. British Israel compounds its deception and hypocrisy by putting up mock attacks on evolution and Darwinism. The foolishness of evolution was propounded in the first place by Jew-Masonic British Israel to serve as a basis for a sham opposition and shield at the same time the crypto-Christian conspiracy of British Israel. British Israel always divides issues between two myths of its own creation -- one to represent "bad" and one to represent "good." Some recognizable examples of this double dealing are materialism versus the kingdom of God; separation of church and state versus the theocratic state; God is dead versus crypto-Christianity; paganism versus Millennialism, Americanism versus communism, Republicanism versus Democracy, communism versus the free world, National Socialism versus Communism, Heathenism versus Western Civilization, superstition versus religion, white Christian versus Negro, paganism versus Christian Civilization, totalitarian Communism versus the world under God's law and Godless atheism versus Judeo-Christianity. One can change ideologies and still be under the spiritual-political control of British Israel.

As stated it is no longer necessary to see the British Empire as a political and military power but that we recognize its spiritual power in order to identify its work and understand its goal of the "Christian State."

To enlarge upon the spiritual aspects of international intrigue we see clearly that the aim of Jew-British Pax Britannica is the removal of Pax Romanum as a spiritual force in the world. Since the reign of Queen Elizabeth I the British Empire has sought to wrest the political power and wealth of Catholic States through Machiavellian politics. The Empire has extended its control under many names and fronts from National Socialism to Communism to Republicanism and many times it has maneuvered these ideologies against itself and against each other to advance its cause. Its ace front is the "Christian State" and it is the ideology of the kingdom of God which has advanced the spiritual attacks of the Empire upon the Catholic Church both from without and from

within. In this context it has been able to permeate its propaganda into the church and infiltrate the leadership almost completely undetected by the vast majority of Catholicism.

Not until the Empire hid itself with the spiritual power of its kingdom of God Christian State propaganda did it realize its chance to finally destroy the Catholic Church. No longer is it necessary to carry on a frontal attack with political and military forces but through British Israel advances are secured through "toleration." True to the dual nature of the Empire, its also has a dual meaning. It is like the man who wanted a fur coat and volunteered to let a bear eat him. The man in this riddle is the Catholic Church. This peculiar toleration has a very definite purpose.

The British Empire has changed its expression from one of venomous hatred to one of a spirit of "toleration." Under this guise it has concealed its plot and allayed suspicion and distrust of world Catholicism. But its vengeance is only postponed and we see in its blueprint of prophetic action a patient gradualism that will culminate in filling up the measure of its hatred of the Catholic Church and all Christians everywhere.

The British Empire is tolerant only as a barnacle and a parasite of the Church which has become paralyzed with the propaganda of British Israel. By now many in the Church have come to believe through the propagandism of "separation of church and state" that British Anglo-Masonry is indeed impartial and that if there be yet enemies of the Church the origin of such is based in Grand Orient Freemasonry or Continental Masonry. That Continental and Anglo-Saxon Masonry are one need only be realized in their oneness of spirit and political effort toward the establishment of the dominance of the British Empire - alias kingdom of God on earth.

The domination of the British Empire in the spiritual realm (British Israel) necessitates the removal of Rome and its now diluted world influence. To this end the Roman Church is being manipulated into the role of "Mystery Babylon" to

fit the arrangement of British Israel prophecy. The Church is being given the image of idolatry and decadence as it is maneuvered to destruction seemingly without motivation.

We urge that those who clap their hands at the prospect of obliteration of the Catholic Church should take warning that the plot against the Church has a dual significance and that no church with Christian teaching will survive the Roman Church by one hour. Hidden behind the roar of the "great tribulation" is a design of the British Empire to emerge as the only world political and military power and its crowning achievement would be the emergence of the fake Christianity of British Israel as the only Saviour of mankind.

The puritanical innocence of Protestantism which can only see the Catholic Church as their enemy must somehow gain a moment of honesty. The hogwash of British Israel has developed a self conceit in Protestantism that amounts to gross hypocrisy in regard to the Catholic Church. They have been beguiled into an ideology of anti-Catholicism which is only a cover for British Israel and which finally will claim Protestantism also as its victim. British Israel is allied now with Protestantism only in the same sense that it is with Catholicism. It aims at conflict between the churches on the one hand and identity with them on the other, all calculated to bring them to ruin out of which the new faith of the Judaic-Christian State in universal unity will emerge. This is indeed a union of church and state.

All Christians must realize the technique of British politics which has successfully accomplished the mystical displacement of the Empire from a material and military power to spiritual power. The material aspects are still there but they have been removed from sight by changing the form of operation of the Empire. The giving of mock independence such as to India is an example in point. The Rhodesian independence movement is another form of this Machiavellian "independence."

In order to look at the blueprint of conquest of the

British Empire we look again at the Scofield Bible. We notice a development of a resurrected Roman Empire as a "prophesied" future event. This so-called beast system of ten nations is emblematic of the ten toes of the image in Nebuchadnezzar's dream according to British Israel. In alliance with this beast system of nations is the Catholic Church (Mystery Babylon) and this "unholy" union is destined to attack Israel (Anglo-Saxondom and the Jews) and in the final battle of Armageddon God will deliver His people whom he has allowed to suffer in the "great tribulation." The now complete political power of the Empire is setting the world stage to enact what it hopes will be the final drama to usher in the new spiritual-economic order. Though political and military power are under the control and direction of the Empire they must solidify these gains with the establishment of the "spiritual Christian State" with a show of "Divine deliverance" to an apparently besieged Israel. This enactment of prearranged "prophecy" is designed to unify the spirit of mankind.

In order to work this fakery the British Empire has infiltrated the Church with its Cabalistic Jews and Masons in order to give the Church the prophetic appearance of the harlot of mystery Babylon so that it can be "prophetically" destroyed. The illumined minds of Masonry visualize the end of their last opposition to their universal Masonic Republic.

The destruction of the Catholic Church and historic Catholic States is called in British Israel "the burning of the body of the Eagle." We quote from the book *THREE HEADED EAGLE*, page 95, by British Israelite A. E. Ferris. "All the nations forming the body of the Eagle, such as France, Belgium, Germany, Austria, Italy, and Spain, in fact all the Roman Catholic countries, will suffer a terrible judgment under the wrath of God. The annihilation of all Roman government, law, religion, kings, priests, and so on will be so complete that never again will the Roman Eagle appear, nor her heads, wings little wings, etc. This can only be accomplished by an atheistic infidel revolution on the continent. As the author forecast in 1940, the obvious agency to bring this

about is the spread of Communism on the high tide of Russian victory prestige. Time will show. But it would seem that the fiery destruction of the 2,000 years old Roman civilization could only be achieved by an atheistic ideology sweeping in. With the moral backing of such a great power as Soviet Russia, such a revolution seems inevitable." End of quote.

The United States of Europe and later the Common Market is the nucleus of the planned "resurrected" Roman Empire. Another rape of Europe is planned with a Neo-Nazi type Germany at the helm of leadership. The German Nation and all Europe should come to the reality of the meaning of another fake nationalism under the sign of the Eagle and the Cross. The blood bath of World War II was a vindication of the blood suckers of the British Empire whose agents directed the proverbial "Rise and Fall of the Third Reich." Need we argue the point or shall we look at a destroyed and divided Germany between British Communism and the British controlled "Free World."

While we are harassed with the memory of the evil deeds of a misled German people who killed a mythical six million Jews, nothing is said of the multimillions of dead and destitute Germans who were maneuvered into self destruction with the cliches of race and nation under the leadership of a Judas Goat front man Hitler who must have known that the source of the Aryan Race bunk originated in the British Empire. Nazi

Germany is a living example that the scheme of race and divine national origin is an ideology of power politics to move whole nations to their death and sadly enough this scourge has overcome America and is about to rear its head again in Europe.

The grand act of World War III will have a new twist in that the "resurrected" and remilitarized Roman Empire will be used to bring total annihilation to the United States with the death of millions after which event Russia and China will be used to engage Europe to get the expected result of mutual annihilation leaving a sovereign

British Empire. The killing of millions of Americans is explained in THE TRUE ECCLESIA distributed by the British Israel World Federation. "When the people of God (America and Britain) sin "Assyrian" (Germany) is permitted by the Eternal God to chastise them by the very wrath of man as in the days of Isaiah." End of quote. In preparation for World War III the "German Menace" is kept alive with daily reviews of World War II Naziism. We have no quarrel with the great people of Germany but we have swapped the death of our soldiers in two giant wars because of our brainwash with British propaganda.

THE UNION JACK Close observation will reveal the Jewishness" of the British Israel Jewbaiters as they concoct a myth of "good" and "bad" Jews. The "bad" Jews it is claimed are the Asiatic Jews or Khazars and the "good" ones are the Sephardim or white Jews. Well, both have the religion of Satan, the Talmud, and both have the same political and religious aspirations of the British Israel-Jew World State which is against our way of life.

It is quite obvious that the Jew-baiters use their anti-judaism in a very controlled manner which is designed to stir up race hatred, civil chaos and mass hysteria. In the main of course the overriding purpose is to establish the British Israel-Jew state under the mantle of Christianity. Likewise the pro-neo-Judeo-Christianity is striving for the same goal. Is this not in harmony with our pincers movement idea of two seemingly opposite forces driving toward each other to form a complete synthesis?

The Jew-baiters launch their attacks upon the political conspiracy of JewCommunism but not one word against their spiritual conspiracy called the Kingdom of God on Earth. In fact most of the Jew-baiters exhaust themselves promoting the spiritual lie of the Kingdom Message. A search for the meaning of the Jew propaganda will reveal that its hidden purpose is to establish the spirit of Judaism in the name of Christ. While they claim religious tolerance they seek to dethrone Christ and usurp His kingdom. "Religious toleration" and the idea of "separation of church and state"

are blinds behind which there is no toleration and church and state merge. The spiritual state becomes a reality built upon the captive minds which are prisoners to the kingdom propaganda of the Jew-baiters.

As we have shown most churchites have been schooled in Scofield style millennialism which teaches that a fleshly Jew is the chosen people of God and that their restoration to Palestine (Israel) is the fulfilling of prophecy. It would seem that if this restoration theory is so important it is quite odd that not one of the New Testament writers mentioned a restoration of the Jews to Palestine or the restoration of any race to any land anywhere let alone the Anglo-Saxon or white nations. The Israel of God changed at the Cross and deals with a spiritual nation which in no sense is fleshly or national. The reign of Christ is a reign of grace in the regenerated reborn hearts of Christians (new Jews). All national or Land promises were fulfilled as emphasized in many places in both Old and New Testaments. See Joshua 21:43. The bond woman cannot exist with the free such as in British Israel. Galatians 4:30-3.

Any attempt to replace grace with race or to mix the two is contrary to the Gospel of Christ (kingdom of Christ) and has been used for hundreds of years to blot out the true kingdom of God in which the true King Jesus Christ rules and reigns in the hearts of men. Satan's Jew-British Messianic synthetic Christianity will not prevail over the Gospel of Christ because Christians know that Satan was conquered at the Cross and we can also conquer him by our faith in Him who died on the Cross. If Christ did not conquer Satan then He failed because the Jews changed their minds as Scofield so states. Satan was in fact bound at the Cross and he has that freedom to deceive the lost only as allowed him by Christ.

Christianity is not blessings or curses in the physical sense as "the sun shines on the just and the unjust." God works His plan of salvation prepared from the beginning. Christianity is not the "social justice" of the kingdom message. It is

not the Jew and Israel (physical) but it is the Gospel of Christ and Him crucified and everyone that believes it enters into His kingdom and thereby gains everlasting life.

The very fact that the Jew-baiters both pro and anti establish that a fleshly Jew exists, let alone that he is a people of God is blasphemy according to Revelation as stated above. The kingdom of God is a present reality for those who believe that Jesus is the Christ and that He is both God and Lord and the saviour of man from sin and death.

British Israel is only baptised paganism whose every breath is dependent upon its identification with true Christianity. The work of the Jew-baiters is to hide this truth. We must know their spirit before we can identify their treason. Their spirit is the kingdom of God on earth and their politics are to its attainment.

Some one hundred sixty years ago Talleyrand said that diplomats and politicians are paid to lie until the truth suffices to mislead their listeners. This is indeed the epitome of the double-think brainwash of British Israel and its army of paid Jew-baiters. The hard worked "Jew-communism" is a decoy from the Jew Kingdom Message of the Jew-baiters. Jew Communism is a base of operations from which to hammer in the permanent phase of world revolution which is the triumph of the "Christian state." The focusing of attention on Communism leads to a misunderstanding of its temporary nature as a catalyst to build the kingdom of God. Communism is only a political instrument to prod and direct wars and revolutions in harmony with the master plan of the spiritual plot. Fighting Communism as such promotes the spiritual counterfeit kingdom. Hence the harangues of the Jew-baiters against Communism serve very well this reverse psychology. Communism has been expanded and enlarged so that the final anti-communist reaction will usher in the kingdom of God on earth. "Atheistic Communism must be defeated by the kingdom of God" so says the propaganda of British Israel. (Every time we refer to British Israel we mean at the same time Anglo-Israel). We would call attention to some of the

many books and publications which fall into the Jew-bait ideology which are supposedly distributed to and cater to the deep students of the so-called Communist conspiracy. Though many of these "hard core" patriots are unaware, they are prize victims and servants of British Israel. It is these super patriots who are the ideological gestapos of British Israel. They have been moved to the completion of the brainwash and their zealousness in their new education has made of them "Jews" impatient with gradual revolution and militant in their desire for blind revolution. They are seditious with respectability under complete control of the spiritual power of British Israel. Their new education of "what's behind Communism" has hidden the master plan. Such is the deceit of British Israel that can alienate a nation against itself by changing its spirit.

We name the following Jew-bait books: JUDAISM IN ACTION, WATERS FLOWING EASTWARD, THE PLOT AGAINST THE CHURCH, THE PLOT AGAINST CHRISTIANITY, THE RIDDLE OF THE JEWS' SUCCESS, THE SECRET WORLD GOVERNMENT, BEHIND COMMUNISM, THE RULERS OF RUSSIA, SECRET SOCIETIES AND SUBVERSIVE MOVEMENTS, THE WORLD HOAX, KNOW YOUR ENEMY, THE ULTIMATE WORLD ORDER, CHRIST WAS NOT A JEW, CAUSE OF WORLD UNREST, PROOFS OF A CONSPIRACY, THE FRAMEWORK OF A CHRISTIAN STATE, THE INTERNATIONAL JEW, THE RED NETWORK, IRON CURTAIN OVER AMERICA, ANTISEMITISM, THE JEWISH STATE, THE JEWS, THE NEW UNHAPPY LORDS, THE ARCHITECTS BEHIND THE WORLD CONSPIRACY, THE ROTHSCHILDS, STRANGER THAN FICTION, STILL 'TIS OUR ANCIENT FOE, UNDER JEWISH RULE, WAR, WAR, WAR, WHAT WE DISLIKE ABOUT THE JEWS, THE WORLD CONQUERORS, TRAIL OF THE SERPENT, MEIN KAMPF, RISE AND FALL OF THE THIRD REICH, THIS TIME THE WORLD, THE BEAST OF THE APOCALYPSE, FACTS ARE FACTS, JEWISH ANTI-COMMUNISM, JEWS MUST LIVE, JUDAISM AND BOLSHEVISM, OVERMAN REPORT, PAWNS IN THE GAME, THE TALMUD UNMASKED, TENNEY REPORTS ON WORLD ZIONISM, THE ULTIMATE WORLD

ORDER, JEWISH RITUAL MURDER, THE JEWS by H. Belloc, THE FRENCH REVOLUTION by Nesta Webster, THE RULERS OF RUSSIA by Fahey, TRACKING DOWN THE KILLER, ADAM WEISHAUP, A HUMAN DEVIL, by Gerald Winrod, THE REVOLT AGAINST CIVILIZATION, IN QUEST OF THE WHITE GOD, SPENGLER LETTERS, THE OUTLAW'S DIARY, THE SOCIALIST NETWORK, THE JEWS COME TO AMERICA, THE CONQUEST OF THE WORLD BY THE JEWS, RACIAL AND NATIONAL IDENTITY by William P. Gale, and many many more. We add to the list of books a few journals and magazines which are seditious Jew-bait. They are: THE COUNCILOR, COMMON SENSE now extinct, THE THUNDERBOLT, THE CROSS AND FLAG, ACTION MAGAZINE, PILGRIM TORCH, FIERY CROSS, and many others. None of these books and publications expose the Christian State plot carried on mostly by the right wing.

In the Jew-bait trickery we must understand that ideologies are divided between created or fabricated political issues with the combatants all of one spirit. To understand this spirit we must dissect the etymology of the extra Biblical Christian State Kingdom of God on Earth, for herein is the plan of conquest by the British Empire.

Here also is the explanation of Masonic anti-judaism (politically) and Masonic anti-communism (politically) which is a farce to cover the progressive advance of the spiritual unity of all races and nations.

The idea of spiritual power as a weapon of power politics is an imposing reality when we see how it has held the unity of the Catholic Church for centuries. This unity through spiritual power has crossed national boundaries while maintaining its direction from Rome. Though Catholics live in many nations their spiritual allegiance (to God) is through the Vatican and it is from this source that flows the administration of the Church. The spiritual unity of Catholicism has expressed itself in political matters in harmony with Church views.

This is the exact scheme of spiritual control of the British Empire through British Israel. Its counterfeit messiah (to come) is the pope of British Israel. Its domain is the unification of all nations under the control of the "Christian State" and its name is the kingdom of God. It is the mystery of iniquity in the form of Christianity. It is ecclesiasticism with vengeance and it must destroy the Roman Church and to do so it (British Israel), is manipulating the Church into the role of "Mystery Babylon" so that it can be "Divinely" destroyed as an apostate harlot.

The sleeping Christians would do well to awaken to the inspiration of their agony. The cliches of religious freedom and brotherhood are fronts for the most diabolical plot of all time.

While we have talked about the spirit of British Israel we have not described its nature in detail. It is Talmudic Judaism based upon the degenerate worship of sex. Its esoteric meaning is a venomous hate for Jesus Christ and its goal is the spiritual allegiance of all mankind. Back to Eden is the trail of the serpent and the fruit of the forbidden tree is the Kingdom of Lucifer.

We reserve a detailed study of the spirit of British Israel Masonry for the last section of this discourse.

To add evidence to our contention that British Israel is an anti-Christian force, we quote from an article distributed by Herbert W. Armstrong of Pasadena, California, entitled HOW YOU CAN BE IMBUED WITH THE POWER OF GOD! On page five we quote, "How plain that God is a Family - a kingdom, not a limited trinity. The doctrine of the trinity was foisted upon the world beginning with the council of Nicaea. It is merely a continuation of the pagan Babylonish trinity of Nimrod, Semiramis and Horus - of father, mother and child - except that in this instance the apostate churches substituted the Holy Spirit for the mother (Semiramis) and called it a "person." I John 5:7: 'For there are three that bear record in heaven, the Father, the Word, and the Holy Spirit: and these three are one' -- this verse is NOT

INSPIRED - it was not written by the apostle John!..."

"This verse is a deliberate hoax, foisted upon a deceived world by an uninspired writer centuries after the inspired John wrote the book."

"...Instead of teaching the trinity, Mathew 28:19 teaches that God is a growing Family or kingdom into which we may enter. God is a Family, a kingdom, not a trinity." End of quote from Herbert W. Armstrong.

How crystal clear that the god of British Israel is the British Empire Kingdom and that the god of the New Order is the British Empire.

Maybe the Empire State of New York has dual meaning. Could it be that treason is the reason for its name? We quote from WORLD FEDERATION NOW, Volume 1 No. 1, April 1339, under the caption "Proposed Memorial To The President of the United States by the people of the State of New York Represented in Constitutional Convention petitioning The President to Summon a World Constitutional Convention -- The people of the State of New York, represented in Constitutional Convention, held at Albany, July 1938, respectfully urge the President of the United States to summon without delay a World Constitutional Convention to set up an all-inclusive, democratic non-military Federation of Nations, organized and modeled after the Constitution of the United States, in order to promote peace, justice and mutual understanding among nations." --- Introduced by the Honorable Hamilton Fish, Jr., but not passed. Sponsored by the campaign for World Government." End of quote.

The continuing process toward the World State Kingdom of God British Empire is understood only in terms of its progressive unification and synthesis of the biological, social, and SPIRITUAL evolution. The natural reaction of unification into a cosmic unity (universal) is conflict rather than harmony as seen in the present world situation. We note that the Nazi swastika has the occult meaning of fire. Fire is the symbol of destruction

on one hand and the symbol of the life principle of generation on the other; hence we have the pattern of revolution which must move through world chaos to the kingdom of God. The political puppets of National Socialism and Communism are the destroyers of this social order after which the world is "reborn" into the cosmic Christ kingdom.

The ideological and political reality of the Communist state was created and designed to forge the unification of the world through conflict. Anticommunism under the guise of patriotism was a planned contribution to this necessary conflict. According to a quotation of Professor John MacMurray on page 161 of the book *THROUGH WORLD CHAOS TO THE COSMIC CHRIST* he says "The separation of Communism and Christianity into conscious antagonism means that the kingdom of heaven is at hand." We know that the definition of Christianity used here is the kingdom of God of British Israel with the opposite meaning to the New Testament Christianity of Jesus Christ.

The defense of "Christian Civilization" as so often stated by Winston Churchill is in fact the advancement of the British Empire under the name of kingdom of God. Churchill knew whereof he spoke when he said that he did not become Prime Minister to preside over the dissolution of the British Empire. We have to but recognize its new name.

Therefore the "free world" concept is imbued with the spirit of the Kingdom Message and it is from this basis that the anti-communist crusade is advanced. The spirit of the nation is so infused with the kingdom message that "patriotism" has become sedition. The development of the spirit of the universal kingdom and its brotherhood through evolution and revolution has readapted the concept of conservatism until in essence it is extreme liberalism. The terminology no longer fits the ideology. We cling to a word system that has taken on a completely new meaning. What was once truth becomes respectable treason. This was the hidden treason behind the apparent ultra Nationalism of Nazi Germany. Naziism was

Judaism in the form of National Socialism and it was no less Jew than the Communism it opposed. Hitler blinded the people with Jew-bait and insulted them to a man by his establishment of his Nazi-Jew State. Propaganda taught the German people the word Jew but it did not teach them to recognize its political form as it gave them temporary glory while it led them to destruction. The people did not correlate the Jew-bait with the Jew-plot of the Aryan Race Myth.

If we change the setting to America we see the ideology of the white race or Adamic race and recognize it as Jew-Pharisaism. White Supremacy is an ideological weapon of Judaism but it appears under the auspices of Christianity and patriotism. British Israelism is Judaism with the name of Christianity and therefore we see clearly how the Jew-baiters work their wrath with impunity from Christianity on the one hand and with financing from the Jews on the other. They may be identified by their attacks upon the Jew and their consistent proclamation and promotion of Judaism whether it be Communism, anti-communism or the kingdom message. They condemn it by name and support it in fact. In the United States this paragraph refers to the work of the Identity Movement. The development and expansion of Judaism under the name of Christianity is the essence of British Israelism. This semantic trick has given respectability to world revolution, making Christ its leader. It has enlisted the American Churches to forge its propaganda upon the spirit of the people, changing their loyalty to the Supranational Kingdom of God, all in the name of Christianity. We must readopt the name Judaism to fit the substance of the World Kingdom religion, and we can do this by discerning the spirit of British Israel. If our concept of Christianity and patriotism is inconsistent with the origin of its meaning then we must expect betrayal. The Kingdom of God on Earth is Judaism, not Christianity nor patriotism.

Defense of the so-called free world is in harmony with the Communist versus Democracy world conflict strategy of British Israel. The conflict of nations and races is promoted in order to unify

the exhausted society into a complete homogenization. We see in this conflict-strategy the reason for unrestrained racial antagonism in America today. It should be obvious that it is not only allowed it is promoted; therefore true patriotism must loose itself from the spiritual control of the fake Christianity called the kingdom of God.

American patriotism just as that in Germany under Hitler has been molded to fit the limitations of preplanned treason although it all appears spontaneous. The long process of revolution and war is calculated to conform to the ultimate accomplishment of the "Christian State." We quote again from *THROUGH WORLD CHAOS TO COSMIC CHRIST*, page 17. "When world history is presented in the light of its ultimate reality it will appear as the record of the operation of a Divine Plan of Interference in the disastrous course of age-long human effort...Out of chaos cometh new order!" On page 19 he says, "The Divine Plan of Interference is revealed as operating according to a Special Law of Intrusion into the working of Natural Law in physical being, with the ultimate purpose that humanity should be 'shaken' into operative harmony with the perfection of God's Creation." We recognize this as an attempt to merge Heaven and earth in the minds of men, and we see that it is the task of the Kingdom Message propaganda to create the belief that such is the plan and purpose of God.

To demonstrate further the meaning of conflict and chaos we find additional explanation in the above quoted book on page 73: "Every state of approach to the 'End of the Age'--repeating on a vaster scale the various stages of approach to the Final Tribulation on Jerusalem--crises financial, economic, political and ecclesiastical; with the portrayal of the epoch of Hitler's administration; the decline, failure and renewal of British influence; the approaching coalescence of British and American power and interest; and the utter failure and disintegration of human administration, with the collapse of its financial and economic world power organization -- all were foreshown and interpreted in revealing words and phrases before the sequence of events happened;

which, as was subsequently shown, were duplicated in the revealing words and phrases which interpreters of history, such as Professor Arnold J. Toynbee, employed to express the sequence of events when they had happened." End of quote. Can we not begin to see that our yoke of bondage is wielded by the British Empire through its Kingdom Message propaganda? To understand the use of the "destroyer" states of National Socialism and Communism along with the ideologies of anti-Semitism and anti-Catholicism, it is necessary to understand the concept of created conflicts in the process of ultimate unification. We quote from a booklet entitled MEDITATION GROUP FOR THE NEW AGE, Set I page 12, "These stages of unification mingle in various proportions, creating intermediate stages in which groups and blocs are formed, divided from, and often in conflict with other groups and blocs. This connotes specifically this present moment. There is a danger in this situation. But it can, and we hope that it will be avoided through a further stage and demonstration of the trend to unification resulting in an organic synthesis on all levels and leading up to world synthesis, to the one humanity." End of quote. The overpowering and dominant influence which guides these conflicts is mental development. This mental development which enshrouds and limits all phases of conflict to the purpose and intent of British Israel has in the same instance insulated British Israel from any effective penetration of its treason. Therefore the many and varied projects of mass education which are being implemented all over the world are molding the conscience of man toward the "Christian State" rendering all possibilities of inquiry improbable. Few will chance the fool image which is derived from honest research into this new Christianity. Once the spirit of British Israel is complete the thought processes of a people no longer fit their language and any suggestion of truth seems preposterous. British Israel develops in its victims a credibility gap which cannot be closed until the individual is freed from the captivity of his mental control. Conservatism as Americans have been educated to understand it, is treason. Truth becomes an illusion and man's most honest efforts to save

himself (politically) and his country betray him.

Americans cannot free their country until they free their spirit and to do this they must remove the subversive motivating influence of the kingdom message and they cannot originate this desire until they come to understand that the kingdom of God on earth is the rulership of the world by the British Empire. The Empire aspires to world domination, political and spiritual, and it has sought to make itself God. Has God ordained this abomination that declares His name and sovereignty?

British Israel propaganda has changed the meaning of our language so that our thought patterns are inconsistent with our intentions. This is the strategy of dividing a man against himself and subverting a nation with the use of ultra nationalism and patriotism. This reverse pattern of subversion is an illusion which moves a nation backward toward internationalism at exactly the same speed as the apparent progression of nationalism (Constitutionalism). See section on semantics in the Epilogue. It is treason in the name of freedom but this relationship is never understood. Thus the new concept of Christian Civilization (through British Israel propaganda) has the hidden meaning of a collective world state or the so-called Christian State; therefore when the term Christian Civilization is used (even with the intent based upon individual salvation through Christ) it betrays its user to British Israel and the effect of his efforts is subversion.

Another example of this chicanery is the use of the word "Jew" as a basis to establish a racial theory as a Biblical concept of salvation. The Jew in a fleshly racial sense does not exist and never has from Old Testament times until the second appearance of Christ at the consummation of the final age of the Gospel (kingdom of God). The only true application of Jew should be Pharisee based upon the religion or belief of the tradition of Rabbinism and Talmudism. Therefore our use of Jew (and we use it thusly because the world would not otherwise understand) refers to a religious sect based upon Luciferianism. One is

not born a fleshly Jew but he becomes a Jew by virtue of his beliefs. Jew as used in the Old Testament referred to the people of a nation of certain locality. It was circumcision not race under the Mosaic Economy that constituted one a true Israelite (Genesis 17:9-14), and of the seed of Abraham but this fact is never revealed in the racial theories of British Israel. (Let us hurriedly inject that the myth of racial purity is more of this double dimension trickery to cause cleavages and sub groups and nations because the most emphatic aim of this hypocrisy is the amalgamation of all races, religions and creeds into a subservient collective zombie. Race purity is only bait to cause conflict.) To further explode the Jew-race myth we quote from Esther 8:17 ... "And many of the people of the land BECAME Jews: for the fear of the Jews fell upon them." Therefore a valid attack upon the fleshly "Jew" must be related to his Devil religion whereas conversely the sham racial attacks upon the so-called Jew by the propaganda of British Israel (alias National Socialism, alias Communism) contributes to the conflict of world revolution. A Jewish race never existed and any approach for or against this mythical Jew is political intrigue wrapped in Biblical language. The millennial cult which promotes the chosen of God Jew heresy is promoting the religion of Satan and his aspiration of the fake messianic kingdom which has identified Rabbinism for ages and which originated the plot and crucifixion of our Saviour. The other side of this dual plot which accuses what it terms the Jew race of anti-Christ is promoting this very Talmudic rabbinical Millennialism which in both cases is the unification (through conflict) of mankind into a hoax Christian State. One must be outside of this pincers movement (toward unity) to see that it is not a divided effort against Christ's people. We have to know its spirit to see that it is "the blasphemy of them who say they are the Jews and are not." The new Jew relates to the Christian faith brought forth by circumcision of the heart and belief in Jesus Christ as both Lord and Saviour. The Jew-race is a Jewish fable that turns men from the truth. St. Paul says in Galatians 1:13-14, "I profited in the Jew's religion above many my equals in mine own nation." He did not

say he was of a Jew-race.

Another example of this paradox-harmony ideology may be clearly seen in the propaganda of Christ versus anti-Christ. What was once a legitimate concept of Christianity which referred to the spirit of Satan versus Christ has come to be understood through the brainmould of British Israel as two political rulers fighting over control of the nations. This is another example of dividing the same ideology into two fake opposites containing no truth in either. Propaganda competes against itself to control all thought. In the first place the great commission gave Christ all power in Heaven and earth and in the second place the reign of Christ is a reign of grace above all supernatural, and not in conflict with the rule of Caesar or government. It is the concerted attempt of Caesar to be both political ruler and God that brings out the real truth of Christ versus anti-Christ. This is precisely the blasphemous usurpation and intrusion of the British Israel plot upon the sovereignty of Christ. The Christ of British Israel is the Cosmic Christ; the collective totality of the human race. Therefore the purpose of the anti-Christ propaganda is the force designed to solidify and unify the "Christ" and the "Christian State." We must see then that the use of the term antichrist versus Christ is the apostasy of British Israel and conveys its purpose and extends its domain wherever used without clarification. Therefore the myth of Christian Civilization is a front for the somewhat narrower concept of Western Civilization which in turn is the mantle for the plot to establish the "Christian State." We must know its spirit to understand its purpose which is the treason of British Israel. See Epilogue on anti-Christ.

The social justice of the British Israel Kingdom of God is not the Gospel of Christ but its movement within the language and form of the decalogue has established a phony Christianity which in essence and in spirit is a genuine hate of Jesus Christ. It is Satanic in its deceit and has beguiled almost the whole of once Orthodox Christianity into its fold. All social and political phenomena is organized to bulldoze humanity into this ultimate triumph of Satan's Christian State. All is set to

appear as "Divine intervention" to save a butchered and bewildered world from itself. Human government has failed says the propaganda and nothing short of the direct intervention of Christ to set up His kingdom will save the world from suicide. It is a union of Church and state with final authority in the Godstate. This occult theocracy is the aim and purpose of the propaganda that we hear so much about. It is the "Divine Plan" of Lucifer to merge Heaven and earth and it is the work of British Israel to establish this spirit.

We have tried to demonstrate the reality of the British-Jew plot revealing that which its pied pipers and stalking horses do not dare mention. We have shown that the leaders of the fight against Communism are without exception internationalists promoting "patriotism" with the treason of the Kingdom Message. The internationalist-led United States Government has soaked the earth of foreign lands with American blood in what they describe as containment of Communism. We say this to demonstrate that all ideology, under whatever political name, is controlled. The alignment of an individual or nation under any version is captivity to the same.

The political framework of the "Christian State" is now complete (all nations now conform to the self phase-out scheme of the "Judgment of the nations") providing the basis for the freedom of movement of the Supranational "Christian State" with its kingdom message propaganda. That politically independent nations exist in name only is proved in their absolute conformity to the blueprint of "prophecy" of British Israel. None are allowed to express themselves in opposition to the Supranational force which hangs over them like the sword of Damocles. They are powerless before the transcendent power of the British kingdom which insults them with its extra-legal existence and its intrusion into their internal affairs. It has forced its extra-legality upon all nations allowing no objections to its propaganda and no inquiries into its sovereignty. Its army of Masonry dedicated to the task of the "Christian State" carries out whatever act it is directed to do. They

are dedicated to God and country: their God is collective humanity and their country is the world.

The God-State kingdom has a system of international law (intrigue) which regulates nations and populations while it exempts itself from punishment of its crimes of genocide. It is this extra-legal state of existence which removes the British kingdom outside the scope of national authority and proves in the same instance its state of being as a colossal world superstate.

To investigate further the meaning and direction of the double think conflict-harmony language of revolution we look for a moment at the identical twin of materialism versus religion. Generally speaking we understand material as substance and religion as thought (belief in a God). In the case of British Israel, religion is a faith in materialism and not opposite to it at all. The gimmick is that by mass dissemination of the expression of "materialism versus religion" that people choose one or the other, without inquiry into the meaning of the terms. The kingdom message religion is rank materialism and anathema to the supernatural kingdom of Christ. Materialism is the creation and the worship of the creation is the religion of the kingdom evangelism which is the deification of that creation through unification of the human race into harmony with the natural order. The blending of the race with nature is the pantheistic materialism of the kingdom of God religion. It is this aspect which unites all paganism against the Divine revelation of Christianity.

World plunder through thought control is the strategy of British Israel and it has accomplished most under the auspices of "Freedom of the Press" and "Freedom of Speech." These freedoms are peculiar only to the distributors of propaganda and no inquest is aired beyond the limits of thought control. The exchange of information among a very limited fraction of one percent of the population is of no consequence in its effect upon the movement of millions via the "free press."

The use of this control has enabled the British Empire to almost completely submerge its physical power from the eyes of the world as it has increased its spiritual power. Now, the fact-thinkers who scoff at this as ludicrous are victims of intellectual vanity and are themselves controlled by the spiritual superstructure of British Israel. Such a conspiracy is not credible within the thought processes of even the most educated who have been told for three hundred years that theirs is a free country. There is simply no inner imperative to question that history just might not be a natural process, let alone that it is being forged and guided with definiteness.

One cannot expect to take British Israel into a lab and dissect its parts as he would geopolitics. He must recognize the tempo of its soul which makes it invisible as well as all powerful. It has permeated its spirit into the thinking of the people with the expression that "Jesus is coming." This idea promotes the end of the age in the minds of men with the suggestion that this economic and social order is not according to God's will and that it is run by man and running headlong into total suicide. Man must be saved in spite of himself and this shall be through "Divine intervention" of the Christ and the inauguration of a new age of harmony and justice with a unified humanity under the rulership of God. Preparation of the mind for this earth bound God-state is the work of British Israel and its Identity Movement.

The pretense of nationalism is like the fiction called history. Nationalism is nominal and the conflict between pretended nationalisms is the process of synthesis or unification. Prefabricated nationalisms do not serve their subjects; they serve the international chess game of "wars and rumors of wars" to grind the nations into amalgamation. "Out of chaos cometh the new order."

The interplay of events in the natural order are allowed but God has not ordained the deification of the state. The true kingdom of God shall never be the kingdom of earth. Perpetuation of the faith does not mix spirit with matter. The land of Abraham and the people are condemned; it is

their faith that makes them whole. It is the circumcision of the heart that separates Heaven from earth in the hearts of men. British Israel would turn us again to bondage with circumcision of the flesh in a God-state glorified earth.

The true kingdom of God is not a "judgment of the nations"--it is happiness and joy in the Holy Spirit. It is God's revelation (not His creation) which leads man to salvation through Christ. The Hope of Israel found its fulfillment at the Cross extending God's grace to all men. The kingdom of God is a present reality to born again Christians. The mission, the revelation, the authority, the kingdom and glory of Christ is fulfilled according to all that was foretold and there is no teaching in the Holy Scripture which supports or predicts a return to the materialism of British Israel-Judaism. This subtle heresy which parades as Christianity and evangelizes the world in preparation for a world state is an insulting repudiation of New Testament Christianity and it is the invisible and moving spirit of world revolution. It has the phraseology of Christianity and works through the Churches building a pernicious spirit which has blinded humanity to the grace of Christ and enlisted them in the social gospel of world brotherhood. Once one is imbued with the spirit of this universal brotherhood which calls itself Christianity, it is impossible for him to be a conservative or a true patriot. He may imagine that he is, but it is impossible for a Judaized-Masonic mentality to comprehend the inconsistency of his spirit (beliefs) to the reality of orthodox Christianity or conservatism. Constant bombardment of British Israel propaganda changes the spirit and allegiance of a people from national to international without their being aware of it. It is a process of alienation which separates a people from their sense of values making it impossible for them to recognize any distinction in nationalism and internationalism. It is a development of a spiritual sense of interdependence phasing out all true perspective of independence. The establishment of faith in materialism alias kingdom of God on earth solidifies a spiritual stratum which precludes rational or objective comprehension. The victims

of this deceit (a process of Judaization through British Israel-Masonry) begin to unconsciously aspire to the hopes of Pharisaism which is the unity of man in the God-State. Men in ages past have been chained to their task; today men are educated to a task making them much more efficient. Physical coercion makes no comparison to the united efforts of mind and body and it is the work of British Israel to enlist or capture the mind. British Israel propaganda is maneuvering mental involuntary servitude to the World State under the guise of social justice. All men are not willing recipients of passive propaganda but the pressure of world events coupled with the prophecies of British Israel force upon the mentality of the people no alternative but "the Christ." Today we are witnessing abuse; we are being jabbed and stabbed to the limits of toleration. The screws are being tightened, and a final rape of the American nation is planned. It will be a massacre explained and justified according to British Israel in fulfillment of Ezekiel which says (paraphrasing) a third shall die by the sword (war), a third shall die by famine and disease (mass inoculation and infestations in the name of public health) and a third shall be taken into captivity, meaning export of the population to a foreign country.

The seemingly incoherent direction of the American nation is not meaningless at all. It is being skillfully and systematically betrayed to the British Empire alias kingdom of God on earth.

British Israel has rehabilitated Rabbinical Judaism very successfully under the paraphernalia of Christianity so that Christianity as most Americans know it today is Judaism. The Jew-baiters say that Jew-communism is a threat to America. The threat is that Americans have become Jews (Pharisees) through the spirit of British Israel. The danger has never been so much that Jews become Americans as Americans become Jews through the spiritual deceit of British Israel; the first is citizenship and the latter is the faith of Rabbinism. The changing of the faith through British Israel propaganda has changed the allegiance to the world state. The spirit of this world state is Rabbinical Talmudic

Judaism, the instrumentality is Masonry, the framework of the world kingdom is the British Empire and the ultimate reality is the unification of body and spirit under the pseudo Christian Theocratic World Government.

The belief in the materialistic millennial kingdom of God-British Empire is a disease of the conscience and the Empire has used its British Israel propaganda to mould the mind of man to believe that "Christ is the answer." Who is the Christ of this seemingly innocent barbarism? It is the messiah of a Judaized world -- the deification of mankind collectively. The true spirit of British Israel is a materialistic paganism foisted and forced upon America and the world in the name of Jesus Christ.

The natural mind of man seldom rises above this subtle heresy which is Christian in name only. Therefore Mr. and Mrs. America cannot imagine that Communism versus Americanism is a conflict of annihilation process. It is the attrition of the last elements of potential adversaries of the British Empire. The kingdom message pseudo-Christianization is a cloud over the world which provides the spirit of the conflict and the spirit of the resulting synthesis of the Phariseic kingdom of God. The kingdom of God millennial Pharisaism not only provides the spirit of world revolution, it provides the smoke to smother the truth that the synthetic kingdom of God of British Israel is the British Empire.

The work of British Israel is to Judaize the world by fabricating the belief that Heaven is here upon earth. The crystalization of this spirit increases in direct proportion to the amount of fake Christianization that is administered to the world. The more this neo-Christianity can be advertised and promoted the closer the world comes to benevolent despotism. The world is being moved away from Christ in His name -- this is the spirit of British Israel.

Russian Communism and American Democracy are allies in their efforts to crush any would be opponent of the kingdom of

God-British Empire. The "patriotism" of the British Israel Jew-baiters means allegiance to the kingdom of God-British Empire and counterfeit nationalisms are only a means to this end. Stalin said in his address at Sverdlov University in April, 1924 "The combination of the Russian revolutionary sweep with American efficiency is the essence of Leninism in Party and State work." (cf: Leninism by J. Stalin, Lawrence and Wishart, London. 1940, Authorized Trans; p 85). Of course he did not state that the puppet fight of Americanism versus Communism is designed to build the Pharisee-Christian State and that its intent is to purge the apostolic faith from the face of the earth.

Christianity is the label for conservative - treason and British Israel is our paradise lost. "Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it. Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves. Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles?" Matthew 7:13-16. "For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ, and so marvel; for, Satan himself is transformed into an angel of light." II Corinthians 11-14.

The desecration of the earth is advanced with the slogans "Jesus is coming" and "Christ is the answer." The world's last hope says British Israel, is the Christ - - the unification of humanity into brotherly love.

The monotonous dogmatism of "Jesus is coming" is a shadow over the Jesus Christ Who has come. It is a constant bombardment of the idea that the mission of the Messiah is yet to be -- that the hope of the world is a paradise earth against salvation of man from sin and death.

British Israel has the form of Christianity and the spirit of Satan; it exalts the name and denies the

power. It is heresy and it is world revolution.

The mission of Christ was not to butcher the earth but to establish truth upon it. His Gospel was (is) the good news that NOW is come salvation, and strength and the kingdom of our God. Revelation 12:10.

The cross of Christ is the triumph over Satan. "Behold NOW is the accepted time; behold, NOW is the day of salvation." II Corinthians 6:2.

"Having begun in the Spirit (Christ) are ye now made perfect in the flesh?" Galatians 3:3. Flesh is the doctrine and salvation of British Israel. It is the fusion of race and a blasphemer of grace. It is Satan appearing as an angel of light.

This drawing shows how the British Empire directs world revolution from America and Russia and how the pitched fight between Russia and America is designed to merge into the New Order or New Age. People will believe that it is a Christian Theocracy or Government of God. This is the World Government that Tom Anderson and Robert Welch and the whole phony conservative movement are working for and fronting for. Watch their tongue twisting. Robert Welch says he wouldn't be opposed to an honestly intended world federation of states. He is talking about the British Israel kingdom of God on earth.

The British Israel movement is Masonic and it is Communism.

The pyramid is already on our one dollar bill, watch for ever increasing appearances of it. Finally it will be sugar coated to our school children with an explanation that it is a symbol of the New Christian Age.
